**It's spring! And I've got some new floral fabric guaranteed to give a "spring look" to your projects!**

**Look at this gorgeous panel from Northcott's Springtime Floral Fantasy collection. It's a vibrant digital print of bouquets of flowers.**

**\$9.00**

**And this coordinating fabric just vibrates with color! \$13.50 per yard.**

Northcott has also come out with a great line of seaside-themed fabrics called Shore Thing.

This panel of shore birds and seashells would make a wonderful centerpiece for a lap quilt for a summer cottage – a great hostess gift if you're going to be spending time with friends at the shore.

The panel measures approximately 2/3 of a yard. \$9.00

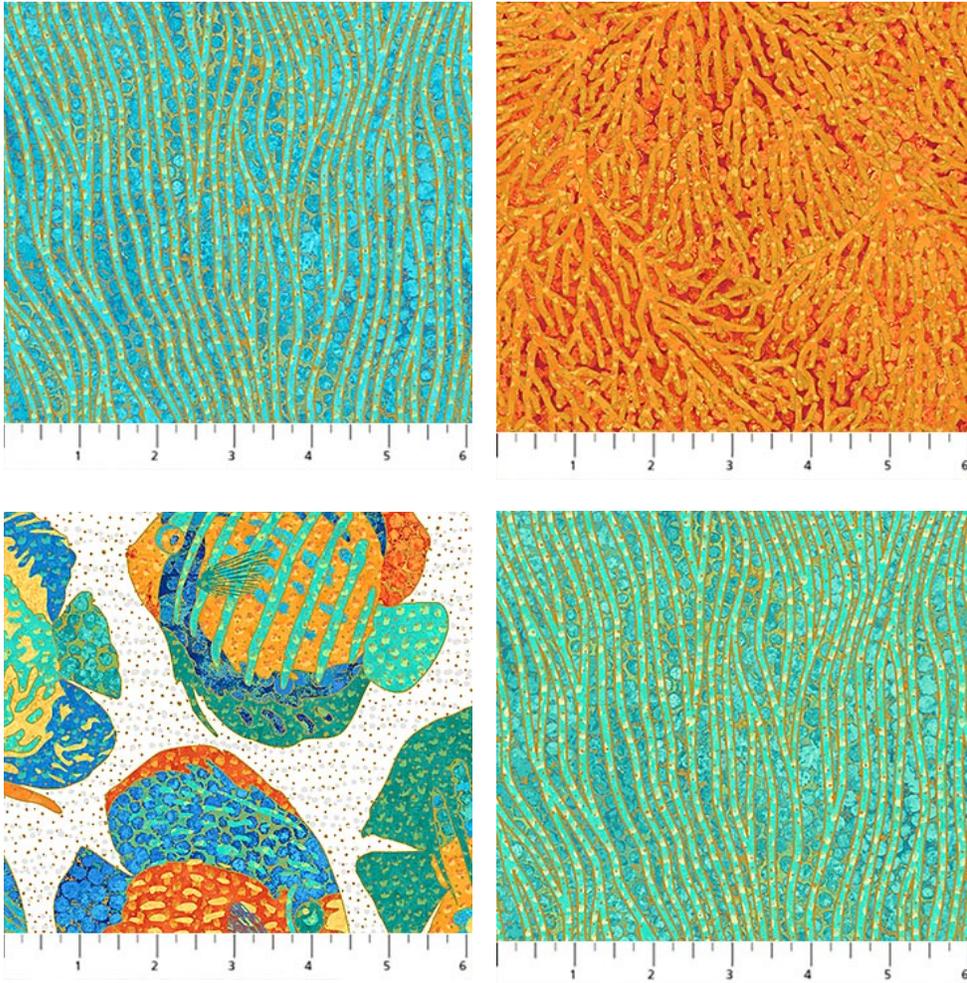

And the companion fabrics are wonderful! I've got these seashells:

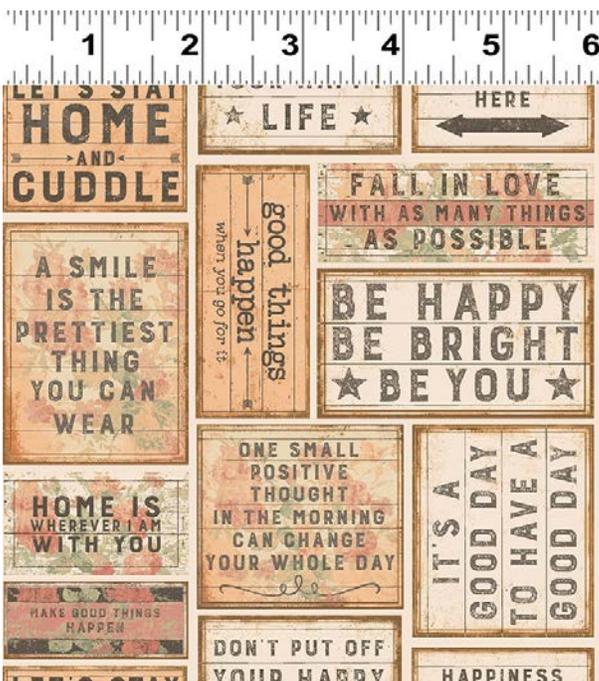

And these ocean waves:

Both the seashells and the ocean waves are \$12.00 per yard.

More seaside-themed fabrics from Northcott include these great designs with a metallic touch that are part of their Shimmer collection. The colors are absolutely gorgeous. Imagine a lovely table runner made from these:

Each of these Shimmer fabrics is \$12.50 per yard.

I have this fun print from Clothworks' Love Lives Here line. I picture these positive sayings being cut out and put onto postcards. Or being made into a pillowcase.

**And finally, to wrap up our spring theme, we have these adorable kitties from Timeless Treasures who are gussied up with their spring blooms.**

**\$12.00 per yard**
